

# Standard Paint Colors

Datum offers a lively palette of 15 colors with options to suit any environment. All steel components of our products are finished with the highest quality electrostatic powder coat paint to produce an attractive, durable finish. Datum uses only the most advanced painting technologies that are EPA tested and approved, and all powder coat paint is solvent-free and environmentally sound.

## Laminates & Melamines

To meet a variety of functional and aesthetic needs, Datum offers 12 different high-quality melamine and laminate finishes, including solid colors, simulated wood grains, and attractive textures with matching PVC Edge. All melamine and laminate surfaces are thermally-fused for permanent adherence, and their exceptional structures resist stains, scratches, and other potential damage caused by incidental contact during routine use.
