

WORKSPACE SHIELD

Datum's WorkSpace Shield is an easy-to-mount, easy-to-clean plexiglass barrier that can be placed on any flat surface to instantly create a non-intrusive physical shield between people or workspaces.

CONSTRUCTION

- Plexiglass panel: ¼-inch, clear
- Units have 4 feet and include self-stick rubber bottoms
- Metal Feet color is black
- Base mounts on any flat surface: desk, table, countertop, worksurface
- 3M Dual Lock provided secures base to mounting surface without tools
- Does not damage mounting surface
- Connector kits available for multiple shields to allow you to customize your setup
- Connector configurations: corner, straight, T, and four-way
